

# List for NPS Functional Category

## CWP/319/TMDL Semi-Annual Reporting Form

	319(h) National Monitoring Project
24	Acquisition of Riparian Resources
22	Acquisition of Wetland Resources
13	Animal Manure/Litter Management Projects
920	Antidegradation Activities and Analyses
502	Assessments for Compliance with Water Quality Standards
11	BMP Design/Implementation
592	BMP Effectiveness Monitoring
600	BMP Effectiveness Monitoring
12	BMP Performance Assessment
610	Biological Monitoring
300	Certification Activities
10	Corrective Action (other than BMP implementation)
420	Develop/ Revise Basin Plans larger than 8 digit HUC code
421	Develop/ Revise Basin Plans smaller than 8 digit HUC code
340	Enforcement Activities
21	Erosion Control Projects
26	Fisheries Projects
410	Geographic Information Systems
18	Grade Stabilization
910	Groundwater (all groundwater activities)
320	Inspection Activities
501	Instream Flow Assessments
14	Livestock Control Projects
450	Livestock Grazing System Planning
101	Local (Specific Target) Education/Information Programs
201	Nonpoint Source Program Overall Coordination/ Management
202	Nonpoint Source Project Staffing
440	Nonstructural Planning (for new development)
401	Nutrient Management Planning

330	Ordinance Development
490	Other Planning
211	Other Program Management
27	Other Restoration/Protection/Prevention
290	Other Technical Assistance Activity
590	Other Water Quality Assessment /Monitoring
310	Program Development Activities
504	Riparian Assessment/ Monitoring
25	Riparian Projects
19	Sediment Control
930	Soil Analyses
100	Statewide Education/Information Programs
20	Stormwater Discharge Design/ Control
403	Stormwater Management Planning
17	Stream Bank Stabilization
505	TMDL Assessments
430	TMDLs
200	Technical Assistance to State/Local
230	Technology Transfer to State/ Local Government
16	Vegetation Management/Revegetation
520	Water Quality Problem Identification
510	Water Quality Trend Assessment
620	Watershed Assessments
492	Watershed Management Planning
402	Watershed Modeling Watershed Specific
404	Watershed Modeling General Usage
494	Watershed Planning
503	Wetland Assessment/ Monitoring
23	Wetland Restoration/Protection
